

# Canyons

## The Dirty Guv'nahs

her body shakin'  
hits after midnight  
everyone's fast asleep  
she's on her knees  
and feeling weaker than ever before  
she's got that look in her eyes  
she wants to be clean  
she doesn't want for them to know  
all the ugliness she's done and seen  
i wish someone would help me  
can you help me yeah  
'cause i just want to be loved  
it's all that i'm holding on to  
oh i just want to be loved  
it's all that i'm holding on to  
he works his fingers  
down to the bone  
he's got emotion  
but doesn't show it  
and so he lives  
in competition with everything  
he's got those lies in his eyes  
and tears on his cheeks  
some children at home  
he doesn't know  
but he wants to, and he cries out please  
i'm down in a canyon, in a canyon  
and i just want to be loved  
it's all that i'm holding on to  
oh i just want to be loved  
it's all that i'm holding on to  
oh i just want to be loved  
it's all that i'm holding on to  
oh i just want to be loved  
it's all that i'm holding on to  
on to, on to, yeah  
and we rise and we bow  
and we learn ourselves in circles  
and we keep our insights

all back down 'till we pray  
at the bottom of it all  
at the bottom of it all  
at the bottom of it all  
it's where you'll find hope  
where you'll find hope  
end
