Real Men Cry

The Elms

Real men cry to their mothers and laugh with the others
When all of the jokes are on them
Theyre rough and theyre tumble but inside theyre humble
When nobodys looking, they even get sadAnd theyd talk all night
Theyd even break down when you think they might
And when you get past our egos
Theres a heart that wants to be just likeJesus, the man of all men
The only One that makes hearts whole again
And He couldve backed down with those people around
But He proved for the last time that real men dieYou can black out your windows or go where the wind blows
But youll answer to somethin' someday
Bob said it best when his slow train went west
But dignity just doesnt payWe could talk all night
You can even break down if you think you might
But when we cant impress there's the real test
Are we just likeJesus, the man of all men
The only One that makes hearts whole again
And He couldve backed down with those people around
But He proved for the last time that real men dieWe could talk all night
You can even break down if you think you might
But when you cant impress there's your real test
Are you just likeJesus, the man of all men
The only One that makes hearts whole again
And He couldve backed down with those people around
But He proved for the last time that real men die
Yeah, He proved for the last time that real men die
