I don't put a smile upon your face no more
I can't make your heart shine like it did before
You don't listen to my stories anymore
You can't comfort me the way you did before

Was I too loud, was I too bad
Was I too open
Was I too high, was I too fast
Was I too close

I don't feel your lips like the first kiss
I'd rather run away than sit to face the truth

Was I too proud, was I too hopeful
Was I too needing
Was I too crazy, was I too long
Was I too giving

No matter how far, no matter how long
I will be there
