Zeroed

Bolt Thrower

Singled out
Vision becoming clear
Now in focus
Judgment draws ever nearAt the point
Within the sight
Pull the trigger
One taken lifeVindicated
Far beyond all crime
Instigated
Religions so sublimeAll the hatred
Nothing is divine
Reduced to zero
The sum of mankindUntold suffering
Of forgotten wars
One more statistic
The world ignoresAnother victim
Within the sight
With no profit
One more taken lifeNo truth, no justice
All false belief
Blinded by mortality
There shall be no peaceNo peace
