#1 Crush (Nellee Hooper Mix)

[Garbage](#)

I would die for you
I would die for you
I've been dying just to feel you by my side
To know that you're mineI will cry for you
I will cry for you
I will wash away your pain with all my tears
And drown your fearI will pray for you
I will pray for you
I will sell my soul for something pure and true
Someone like youSee your face ever place that I walk in
Hear your voice every time that I'm talking
You will believe in me
And I will never be ignoredI will burn for you
Feel pain for you
I will twist the knife and bleed my aching heart
And tear it apartI will lie for you
Beg and steal for you
I will crawl on hands and knees until you see
You're just like meViolate all the love that I'm missing
Throw away all the pain that I'm living
You will believe in me
And I could never be ignoredI would die for you
I would kill for you
I would steal for you
I'd do time for you
I would wait for you
I'd make room for you
I'd sail ships for you
To be close to you
To be part of you
'Cause I believe in you
I believe in you
I would die for you
