## Dondria

hehehe yall know what this is  
when you touch me my knees go weak and i can't move  
malfunctioning cause your love soothes  
my pain round' you unforgetful  
cant remember life without you  
you and me baby in my mind were inseparable  
your loves takes me high like a catabolt  
over mountains and moons  
im invinsible when im lovin you oh

### CHORUS

i can't stop thinkin bout u boy  
stay on my mind i cant help what im feelin boy  
i cant stop thinkin bout u  
i cant stop thinkin bout u cant stop thinkin bout u  
i cant stop thinkin bout u boy  
stay on my mind i cant help what im feelin boy  
i cant stop thinkin bout u  
i cant stop thinkin bout u  
cant stop thinkin bout u  
baby take me to a world

where its you and me only in a place where our love can be frree  
without boundaires or limits just hold me

every day  
in every way  
all the time

cause baby im stuck to your love like a magnet
