Enrique Iglesias

Yeah, when I moan, when you're gone, I come
I wanna jump, when you wanna jump?
I wanna touch, where it makes you mine
I wanna push till I get it right
'Cos I'm free, free to do the dirty things you like
I'm free, free not to do what's on my mind
When you go down and freak on me
That's when I'm free, well, that's when I'm free
I wanna fall, so you can pick me up
I wanna scream until it hurts
When you think that I can't come up
I'm gonna lay down and show you what's right
'Cos I'm free, free to do the dirty things you like
I'm free, free, not to do what's on my mind
When you go down and freak on me
That's when I'm free, that's when I'm free
I know what you're thinking, that you can't be mine
You're knackered, you wanna come, and you can't lie
Let me read your mind, so I can come inside
See what I see, I want one more time
'Cos I'm free
'Cos I'm free, free to do the dirty things you like
I'm free, free not to do what's on my mind
(When you go down and freak on me)
That's when I'm free, yeah, that's when I'm free
Woah oh, I'm free
Don't you know I'm free?
Don't you know I'm free?
Oh, I'm free, I'm free oh oh!
Free oh oh!
