

# Man With the Golden Gun

Alice Cooper

The man with the golden gun  
Is waiting somewhere out there for you  
But you'll never see him  
He'll be looking for you Demand for the golden gun  
It's high priced, precise and true  
But you'll never see him  
He'll be looking for you The man with the golden gun in his pocket, oh, oh  
The man with the golden gun in his case, oh, oh  
The man with the golden gun in your face But you'll never see him  
He'll be looking for you  
You better believe  
He'll be looking for you He's, the man with the golden gun in his pocket  
The man with the golden gun in his case  
The man with the golden gun in his pocket  
The man with the golden gun in your face But you'll never see him  
He'll be looking for you  
You better believe  
He'll be looking for you He's, the man with the golden gun in his pocket  
The man with the golden gun in his case  
The man with the golden gun in his pocket  
The man with the golden gun in your face The man with the golden gun in his pocket  
The man with the golden gun in his case  
The man who gave you the golden gun
