Anathema
Miscellaneous
Eternity Part IIISo little time
Your crystal eyes gaze into mine
A burning flame
Forever dreaming, dreaming a lie
Trapped inside internal eyes
Carresed by innocence, a sanctuary for your mind
Born alone beneath pale sardonic skies
One love, one life, one sorrow
I won't reproach myself this time
A condemned man, granted a sweet reprieve
A turn of fate, a genial twist of the knife
Undying affection for life
