

# Last Seen October 9th

## Eleanor McEvoy

Brown hair and blue-grey eyes

Slim build and average height

Blue jeans and navy coat

Last seen October 9th Her photograph is blurred

She was smiling then

Her family must ache

To see that smile again All of those who miss her, since October 9th

All their prayers go with her, (they) pray that she's all right

No one's heard a whisper, since October 9th

Since October 9th Nothing on the news

Hopes are fading fast

She's not the first to go

She won't be the last All of those who miss her, since October 9th

All their prayers go with her, (they) pray that she's all right

No one's heard a whisper, since October 9th

Since October 9th Brown hair and blue grey eyes

Slim build and average height

Blue jeans and navy coat

Last seen October 9th Last seen October 9th
