The Terror Pigeon Dance Revolt!

I know we all get to be like x4
that sometimes
I'm sorry I was like that x2

I know we all get to be like x4
that sometimes
I'm sorry I was like that x2

check that place

I know we all get to be like x4
that sometimes
I'm sorry I was like that x2

I know we all get to be like x4
that sometimes
I'm sorry I was like that x2

check that place

I'm saying, I'm saying
You were the one
I know what you're going through
better than you do
with those who speak well
of your fine character
and everything is in your body and the gears in your body are my audio
can't you see that I'm trying
but I know that sometimes my Guinness isn't great

I'm just a loudmouth
My tongue got bitten by a radioactive spider
I'm higher I'm higher
It doesn't matter

Leroy, Leroy
