

(I'm A) Road Runner

Humble Pie

Money, who needs it, let me live my life free and easy
Put a toothbrush in my hand, let me be a travelin' man
'Cause I'm a road runner baby I'm a road runner baby
Can't stay in one place too long
I'm a road runner baby

One look at me and I'll be gone Well you can love me if you wanna but I do declare
When I get restless, I've got to move somewhere

'Cause I'm a road runner baby, anywhere is my home And I love the life I live and I'm gonna live the life I love
A road runner baby Don't want no woman to tie me down, got to be free baby to roam around
All my life I've been like this and if you love me it's your own risk
All my life I've been like this and if you love me it's your own risk

'Cause when the dust hits my shoes, I've got the urge to move Yes, I'm a road runner baby, got to keep movin'
on

Hey, and I live the life I love and I'm gonna love the life I live
I'm a road runner baby Road, road runner

Road, road runner
Road, road runner

Road, road runner Don't want no woman to tie me down, got to be free baby to roam around
All my life I've been like this and if you love me it's your own risk

'Cause when the dust hits my shoes, I've got the urge to move Yes, I'm a road runner baby, got to keep movin'
on

Hey, and I live the life I love and I'm gonna love the life I live
I'm a road runner baby Road, road runner

Road, road runner
Road, road runner

...
