

Daughter Of Darkness

Tom Jones

Woman, I can remember a woman
Warm were her kisses and tender was she
Lying there in my arms
Why, why did you deceive me so
What devil inside made you go
When I needed you most of all Daughter of darkness
Stay out of my life, my life
You took my heart, you broke it apart
Daughter of darkness
Daughter of darkness
Please leave me alone forever
Daughter of darkness gone is the love
That we shared together Heaven, we had our own kind of heaven
Sharing together, the magic of love
In a world of our own
Then oh so suddenly you were gone
The love I depended upon disappeared when you went away Daughter of darkness stay out of my life, my life
You took my heart, you broke it apart
Oh daughter of darkness
Daughter of darkness leave me alone forever
Daughter of darkness gone is the love
That we shared together
Daughter of darkness stay out of my life, my life
You took my heart, you broke it apart
Oh daughter of darkness
