

Beyond the Blue

The Sweetest Condition

It's lonely in here.
I feel small in this universe
And I've got so many
years to go. Will you join me in here?
We'll travel through this universeâ€”
reach across the stars
for miles and miles. But at what cost?
What about the ones I've lost? You fall in love so easily
from the moment you get close to me.
I'll take you as far as we can go,
farther than anything you know. But when it's time for me to go,
don't say goodbye,
just look to the sky. Well hello, my dear friend.
Do you remember me?
You don't have to be alone
in the end. Beyond the blue.
Just look to the sky;
I'll find my way
back to you. When you are lost, don't be afraid.
Beyond the blue, I'll find my wayâ€”
Find my way back to you. I'll take you as far as we can go,
farther than anything you know.
But when it's time for me to go,
don't say goodbye,
just look to the sky.
