

Seek 'n' Strike

Soulfly

Here we go, another day, another strike
Here we go, it's the living sacrifice
Here we go, against your bullshit ways
Here we go, against your false pretend
Here we go, another day, another hour
Here we go, take the back the power
Here we go, I'd rather die on my feet
Here we go, than keep living on my knees
Here we go, another day, another strike
Here we go, jump da fuck up and fight
Here we go, another place, another tribe
Here we go, no, we won't take your bribe
Here we go, another day, another night
Here we go, with this music unite
Here we go, another freedom fight
Here we go, God bless me inside
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Here we go, another day, another strike
Here we go, it's the living sacrifice
Here we go, against your bullshit ways
Here we go, against your false pretend
Here we go, another day, another hour

Here we go, take back the power
Here we go, I'd rather die on my feet
Here we go, than keep living on my knees
Here we go, another day, another strike
Here we go, it's time to react
Here we go, yeah, we come full effect
Here we go, attitude and respect
Here we go, another day, another night
Here we go, protest and survive
Here we go, yeah, Soulfly tribe
Here we go, it's time to arise
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
Seek 'n strike
Strike
Seek 'n strike
