Freedom Rising

Equippers Revolution

A tide arising as we seek your ways
A surging wave of unending grace
Love revealed you are all we need.

Heaven's calling, let freedom reign
The street's a light in the joy you bring
Love revealed you are all we need.

Oh, there is freedom
Freedom rising
Freedom rising.

Freedom rising as you rise in us
We shake the world off and run to love
We're lighting up the dark
We're lighting up the dark

Roar untamed in the midst of fire
Breaking all that would hide the light
Love revealed you will set us free

Oh, there is freedom
Freedom rising
Freedom rising

Freedom rising as you rise in us
We shake the world off and run to love
We're lighting up the dark
We're lighting up the dark x2

Your freedom wild in us
Your love so thunderous
We are running to your love
Can you hear the roar? x3

Freedom rising as you rise in us
We shake the world off and run to love
We're lighting up the dark

We're lighting up the dark x2
