LIFE/THRILLS (feat. Namgawd)

Metrik

You're everything I'm missin', we all know it yet
Thought I didn't need a missus, I'll be focused
Long nights, get cold when the two stop
Travellin' man, hope you someone I can roll with
Lose control for the night, let the liquor talk
Weight on your shoulders, get it off while you're gettin' off
You want it all? Join the team, baby, get involved
Whatever we are, know to turn up never very farYeah, now hands up if you feel that
It's everybody in the building to the sky now
Uh, hands up if you feel that
Life thrills, it is a different type of high nowIt's everybody in the building to the sky now
Life thrills, it is a different type of high nowMurdy, you roll in that black dress
It's crazy how you even gotta pin it
I mean, it's obvious you have a lot of assets
But I wonder will it cost me to get it
Damn, it's a moment feeling nice right here
Yeah, got you a drink, there's some ice right there
We gettin' in the anything your hotness like right here
It is a different set of rules we abide by here, you knowYeah, now hands up if you feel that
It's everybody in the building to the sky now
Uh, hands up if you feel that
Life thrills, it is a different type of high nowIt's everybody in the building to the sky now
Life thrills, it is a different type of high nowAnd I ain't coughin' up the special and you changed that
There's good vibes and I pray that it remain that
Tomorrow mornin', we go wishin' to turn the page back
And that's a blessing, let's be happy that we made thatYeah, now hands up if you feel that
It's everybody in the building to the sky now
Uh, hands up if you feel that
Life thrills, it is a different type of high nowIt's everybody in the building to the sky now
Life thrills, it is a different type of high nowLife thrills, it is a different type of high nowYeah, now hands up if you feel that
It's everybody in the building to the sky now
Uh, hands up if you feel that
Life thrills, it is a different type of high now (x2)ï»¿
