

Let The Bridges Burn (Bonus Tracks)

Killswitch Engage

We have come too far
To let our fulfillment fall away
I must refuse to renounce my integrity We stand in defiance
To their excess
Let the grief that they have inflicted serve as a call to arms Are you ready?
Are you willing?
To be the catalyst
We can no longer be indifferent
Restore this tired world For misery
We have turned away
Ignite the past
Let the bridges burn My eyes watch the unholy be left in the distance
The division of our souls from our blasphemous tongues
This is our fulfillment For misery
We have turned away
Ignite the past
Let the bridges burn
From sorrow
We have turned away
To the past
Let the bridges burn I have bled for the truth
There is no surrender
Move forward, go make yourself
Destroy all lies From ashes to ashes
From dust to dust
From ashes to ashes
From dust to dust For misery
We have turned away
Ignite the past
Let the bridges burn
Let the bridges burn
Let the bridges burn
