

Gone (Radio Edit)

Lasgo

Is there something I dont know?
Are there secrets you wont show?
Even after all this time,
You cheat on me, pretend were fine
You know I cant stand you anymore Every single moment I was there for you
All you ever did was be untrue. Oops, youre gone
Just play your games with someone else
Im done
With you and your lies
Youre so wrong
To make me cry
This is the last goodbye Oops, youre gone
Just play your games with someone else
Im done
With you and your lies
Youre so wrong
To make me cry
This is the last goodbye I was young and so naive
Boy you led me to believe
We would stand the test of time,
You said youd be forever mine
Just give me your key before you leave Every single moment I was there for you
All you ever did was be untrue. Oops, youre gone
Just play your games with someone else
Im done
With you and your lies
Youre so wrong
To make me cry
This is the last goodbye Oops, youre gone
Just play your games with someone else
Im done
With you and your lies
Youre so wrong
To make me cry
This is the last goodbye
