

# Good Woman (ft. Warren Ellis and Eddie Vedder)

## Cat Power

I want to be a good woman  
And I want, for you to be a good man.  
This is why I will be leaving  
And this is why, I can't see you no more.  
I will miss your heart so tender  
And I will love  
This love foreverI don't want be a bad women  
And I can't stand to see you be a bad man  
I will miss your heart so tender  
And I will love  
This love forever  
And this is why I am leaving  
And this is why I can't see you no more  
This is why I am lying when I say  
That I don't love you no more'Cause I want (to) be a good women  
And I want for to be a good man
