

Supercalifragilisticexpialidocious

The Vandals

Supercalifragilisticexpialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious
Supercalifragilisticexpialidocious So then I was afraid to speak
When I was just a lad
My father gave my nose a tweak
And told me I was bad But then one day, I learned a word
To save my aching nose
The biggest word, you've ever heard
And this is how it goes Supercalifragilisticexpialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious
Supercalifragilisticexpialidocious Supercalifragilisticexpialidocious
Even though the sound of it
Is something quite atrocious
If you say it loud enough
You'll always sound precocious
Supercalifragilisticexpialidocious I traveled all around the world
And everywhere I went
I used this word in all I say
[Incomprehensible]
I say my special word
And then they ask me out for tea
