

Supercalifragilisticexpialidocious

The Vandals

Supercalifragilisticexpialidocious

Even though the sound of it

Is something quite atrocious

If you say it loud enough

You'll always sound precocious

Supercalifragilisticexpialidocious So then I was afraid to speak

When I was just a lad

My father gave my nose a tweak

And told me I was bad But then one day, I learned a word

To save my aching nose

The biggest word, you've ever heard

And this is how it goes Supercalifragilisticexpialidocious

Even though the sound of it

Is something quite atrocious

If you say it loud enough

You'll always sound precocious

Supercalifragilisticexpialidocious Supercalifragilisticexpialidocious

Even though the sound of it

Is something quite atrocious

If you say it loud enough

You'll always sound precocious

Supercalifragilisticexpialidocious I traveled all around the world

And everywhere I went

I used this word in all I say

[Incomprehensible]

I say my special word

And then they ask me out for tea
