

# Big Booty Hoes

## Notorious B.i.g.

Beotch

Talk about these hoes Big

I got a bitch that suck my dick 'til I nut

Spit it on my gut and slurp that shit back up

Ain't that a slut she even take it in the butt

Fuck for 'bout a hour, now she want a golden shower

You didn't know that we be pissin' on hoes, bitch

Luke and Biggie straight shittin' on hoes, bitch

Lick your toes, bitch? Fuck no, you must be crazy

Squirt in your face and then I'm Swayze

Recognize G, straight up, I can't knock ya

After Big Poppa, fuck all of Junior M.A.F.I.A.

The whole clique, dick sucked, ass licked

Leave your number by the phone, bring yo' ass on home

I roam in Lexuses and Benzes, the fly way

With the flyest bitch gettin' head on the highway

My way deep throat on Luke's boat

When the moon rises, I'm cumin' in her eyeses

Just the way players play

Leave it up to me, I get fucked all day

Sucked all day, smokin' blunts, countin' cheese

Fucking bitches til they assholes bleed, what you say, baby?

All I want is hoes, big booty hoes

Check it out, here's another one

All I want is hoes, big booty hoes

Don't take 'em to the crib unless they bonin'

All I want is hoes, big booty hoes

Check it out, here's another one

All I want is hoes, big booty hoes

Don't take 'em to the crib unless they bonin'

Biggie bag bitches from barbecues to bar mitzvah's

The dick don't fit, use your lips 'cause

I'm feelin' kinda itchy for a quickie

Don't take off your coat, all you got to do is lick me

Me eat you, I beat you, then greet you to the door bitch

'Cause I don't love you no more

Which one of these hoes in the lobby wanna slob me

You know me, I like my dick Brown like Bobby

Jim Duke shoot, then the bitch get the boot

Unless she lick ass and blow dicks like flutes  
I like 'em cute, round tits and fat asses  
Educated, so I can bust off on they glasses  
I wanna come on your tongue and gums, all night  
The bitch drink nuts by the pint  
Drink it bitch  
All of these hoes do that shit  
All I want is hoes, big booty hoes  
Check it out, here's another one  
All I want is hoes, big booty hoes  
Don't take 'em to the crib unless they bonin'  
All I want is hoes, big booty hoes  
Check it out, here's another one  
All I want is hoes, big booty hoes  
Don't take 'em to the crib unless they bonin'  
It's after midnight, it's time to come up  
Fuckin' with some sluts tryin' to bust a nut  
I ain't seen this many hoes in a long time  
I wanna make 'em all mine  
But it's gettin' kinda late, and I can't wait  
Bitch fuck a first date  
I pulled out my dick, she called me rude  
But then she ate it like food  
Then she noticed the limp and the whip  
Recognize game, you've been pimped by a pimp  
Throw all that trick shit, out the window  
You come up short tryin' to doubt the pimp hoe  
Too Short baby, straight from Oakland  
Hoe money is my fix and I can't be broken  
Freak bitches all on my dick  
We on some Brooklyn, Oakland, California shit, beotch  
All I want is hoes, big booty hoes  
Check it out, here's another one  
All I want is hoes, big booty hoes  
Don't take 'em to the crib unless they bonin'  
All I want is hoes, big booty hoes  
Check it out, here's another one  
All I want is hoes, big booty hoes  
Don't take 'em to the crib unless they bonin'  
You knew I was a dog when you met me bitch, fo' sho'  
Tell you anything you wanna hear right about now  
To the spot, that's where we goin' baby, see we goin' to the spot  
Do our thang like we always do, you ain't know?
