Hey!

It was night
It was day
It was life the old-fashioned way
It was different times, than how we want to be

Lots of laughs
Lots of cries
Lots of tears and goodbyes
Till we meet again
Up in the sky...

Hey!

Got the spark
In the eye
Got the will to live and never die
In the ancient times
Before the gathering

Out of sight
Out of mind
As we bend the heartache back in time
Till we dance again
Up in the sky...

Turn it up now, baby
Turn it up on me
Turn it up, your heartache
It's just a memory
Lost in the mission
My feet on the floor
[x2]

Hey!

Gotta get it up
Gotta shake this one down

[repeat]

Turn it up now, baby
Turn it up on me
Turn it up, your heartache
It's just a memory
Lost in the mission
My feet on the floor
Ooh-ooh, ooh-ooh
[x2]

Turn it up, turn it up, turn it up

Turn it up now, baby
Turn it up on me
Turn it up, your heartache
It's just a memory
Lost in the mission
My feet on the floor
Ooh-ooh, ooh-ooh
