

I Had a Dream (Single Version)

Ray Charles

Well, well, I got a feeling'
(I had a dream)
Things aint goin right
(I had a dream)
Come over baby
(I had a dream)
Let me tell you
About my dream last night
(I had a dream) You know I dreamed
Someone else
(I had a dream)
Was here with you
(I had a dream)
Doing all the things
(I had a dream)
That I used to do
(I had a dream) Please dont let
This dream come true
(I had a dream)
Tell me Im not losin you
(I had a dream)
Baby, say it was a dream
(I had a dream, I had a dream) Well, well you know
I came home
(I had a dream)
And found you gone
(I had a dream)
I never felt so
(I had a dream)
So all alone
(I had a dream) Oh, with your voice
(I had a dream)
Ringin in my ear
(I had a dream)
I just could not hold
(I had a dream)
Hold back my tear
(I had a dream) Please dont let it come true
(I had a dream)

Tell me Im not losin you
(I had a dream)
Oh, say it was a dream
(I had a dream, I had a dream)Well, well, well, it seems
(I had a dream)
That you love me no more
(I had a dream)
I never felt
(I had a dream)
Felt this way before
(I had a dream)You were so cold
(I had a dream)
I wonder why
(I had a dream)
You didnt care
(I had a dream)
How much I cried
(I had a dream)Baby, please dont let it come true
(I had a dream)
Wont you say that Im not losin you
(I had a dream)
Oh, say it was a dream
(I had a dream, I had a dream)Well, well, you know I begged you
(I had a dream)
To come back fast
(I had a dream)
You know without you, baby
(I had a dream)
I know, I couldnt last
(I had a dream)Oh, but you would not listen
(I had a dream)
Listen to my plea
(I had a dream)
You turned around
(I had a dream)
And walked away from me
(I had a dream)Now you know you cant
Let it come true now
(I had a dream)
Tell me Im not losin you, babe
(I had a dream)
Wont you say it was a dream
(I had a dream, I had a dream)
