

# Black Agbada (feat. Shawn)

## Oduduwa

Intro:

Rest in peace (agbadura)

It is what it is we donâ€™t play outchea bruh (fun awon totiku)

It's kinda stupid you think you can mess with this team homs (kilen ro gaan)

You stupid nigga (ahn ahn)

Shit! (nawa o)

(( CRACKER )))

Bata the club in a Bulli Van (bulli van)

Achando aibu hooligans (say)

Young Chime Sullivan (sullivan)

Black Agbada boys will shoot you down (ratata)

Black Agbada to your funeral (amen)

I no dey fuck with your head (nah)

I just dey come for the bread (that's right)

Bmajor (What)

Tell it to them (Lets do it boy)

Chorus:

Rest in peace

To the rappers wey I kill over black agbada (R.I.P Motherfucker)

At your funeral

Gold jesus piece on my black agbada (Swag nigga)

Brand new Js

Brand new Rolly in my black agbada (shoe game nigga)

All white whip

All white bitch in my black agbada (skrrrrrrrr)

Turn up in the club

Champagne shower on my black agbada (let it rain boy)

All the strippers love me

Cos they know I keep the money in my black agbada (got the cheese boy)

All the haters hate me

Cos they know I keep the tooly in my black agbada (tu tu tu)

Got my fist in the air

Screaming black power in my black agbada (haan)

Shawn:

Obizzy said ginger

So I called Cracker up for a beat

And BossMajor hopped on the track (major)  
Dictator rapping with Lex  
Tell the people  
We go cause katakata in our black agbada  
Black man power (itâ€™s the black man power)  
Introducing some white bitches to my black man tower (say)  
Black agbada (black agbada)  
Rich kid stacking money to the Eiffel tower  
(\*)  
Even when I die  
Put the black ankara on my bitch (amin)  
And tell the whole world I said it (beni)  
If it aint black agbada then it aint legit (iro nii)  
(you know what I mean boy)  
Fuck  
I hope you get this  
Now tell the whole world I said it  
If it aint black agbada then it aint legit (we donâ€™t want 'em)

(Chorus)

Oduduwa:  
Bamipe tailor (hello what's happening)  
I need that black agbada  
designed to my size like you owe me a favor (size 6 size 6)  
I remember the times  
When they said that my rap shit  
Would end up in failure ( o mo'we)  
Now its straight to the liver  
The shots I deliver  
Your bitch is in labour (pa pa pa)  
I was swimming the river  
That's thanks to my flos  
Now they call me a sailor (balling nigga)  
Huh  
Agbada dudu rebirth of khal drogo (huh)  
Kilefesebia whalai eti rogo (what???)  
Ninu industry mowole bii boko  
Mo'gbomo mo'gbounje motun kowosapo (take it all nigga)  
Please evacuate the premises  
Tawon black agbada men bati wole de  
Dripping ibadan swag  
Straight from molete

(Chorus)

Outro:  
Word out  
To the gone and fallen  
To the fallen and gone  
For the dearly departed  
For the ones 6 feet deep  
For the ones in the morgue  
For the ones in the cemetery  
That's right
