

Here In Your Bedroom

Goldfinger

Here in your bedroom
I can turn my head off
The less that I feel
Is the less that I'm on top I wonder what you think
As we lay here in bed
I don't know what I'm thinking
But that's better for my head When I wake up tomorrow
Will you still feel the same?
When I wake up tomorrow
Will you have changed? 'Cause I still feel the same
'Cause I still feel the same
I, I, 'cause I still feel the same Here in your bedroom
I can turn my head off
The less that I feel
Is the less that I'm on top I wonder what you think
As we lay here in bed
I don't know what I'm thinking
But that's better for my head When I wake up tomorrow
Will you still feel the same?
When I wake up tomorrow
Will you have changed? 'Cause I still feel the same
'Cause I still feel the same
I, I, 'cause I still feel the same
Here we go! Here in your bedroom
I feel safe from the outside
I can tell that you're changing
But still I feel so high I wonder what you think
Sometimes I feel so old
I don't know if it's worth it
When I just do what I'm told When I wake up tomorrow
Will you still feel the same?
And when I wake up tomorrow
Will you have changed? 'Cause I still feel the same
'Cause I still feel the same
I, I, 'cause I still feel the same I, I, 'cause I still feel the same
I, I still feel the same
Won't you?
