

Can't Stop Me

The Rasmus

Ooh baby, come on, ooh baby, come on, ooh baby, baby
Ooh baby, come on, ooh baby, come on, can't stop me baby, come on
Ooh baby, come on, ooh baby, come on, ooh, baby, baby
Ooh baby, ooh baby, can't stop me baby
Yes, I does that stays hot, I ain't got to get my buzz back
What everybody trying to be now, I was that, yeah
They could never stop me that's why I love rap
Been living the life praising ice
Bang the baddest chicks in the world maybe twice
The swag, the gear, the bread
All the whips is a year ahead, I only fear the Feds
Forty five on the other side of the peep hole
Head shot from point blank, call it a free throw
Funny 'cause I had divisions since Calico
Back then, I still ain't reached my peak though
Louie loafers, Polo pea coat
Call me whenever the bosses meat, yo
I drove papi crazy so the industry's never gonna stop me baby
You can't stop me now, you can't stop me
No, you can't stop me now, you can't stop me
You can't stop me now, you can't stop me
You can't stop me baby
You can't stop me now, you can't stop me
No, you can't stop me now, you can't stop me
You can't stop me now, you can't stop me
You can't stop me baby
Yeah, I'ma call it confidence 'cause I ain't cocky
I just know one thing, they can't stop me
Whether I'm on [Incomprehensible] or LA they swap me
It's all good because I know the gangsters got me
First thing's first, they jar us abruptly
I treat the rap game like a large monopoly
One on one niggas can't guard me properly
But when they double team me the odds are sloppy
I move like them eighty milligrams of oxy
Send your sister back to your family, not me
Got too hot for the grams and got weed
In the rap bracket he remains the top seed
Revolver holds six, quick to blow three

Audio heroin, so you don't OD
Shooters know you but you don't know me

The block is crazy, can't stop me baby
You can't stop me now, you can't stop me
No, you can't stop me now, you can't stop me
You can't stop me now, you can't stop me
You can't stop me baby

You can't stop me now, you can't stop me
No, you can't stop me now, you can't stop me
You can't stop me now, you can't stop me
You can't stop me baby

Once I start I ain't gonna stop the squeezing
And the gauze ain't gon' be able to stop the bleeding
And your girl ain't gon' be able to stop the weezing
When she get that phone call from the doc we even

You could not stop me, so stop believing
Ring tone rap, this is not the season

I punch lines hard enough to stop your breathing
And the ladies will still pay a lot to see him

I'ma get rich long as I got my freedom
Usually when you get hit it's for a reason
If you in the hood better dodge the Ds and
Watch your Qs and be on your Ps and

Thank you all for coming out this evening
Having a good time with your liquor and treason
Even if they knock me then continue to watch me

They still wouldn't be able to stop me
You can't stop me now, you can't stop me
No, you can't stop me now, you can't stop me
You can't stop me now, you can't stop me
You can't stop me baby

You can't stop me now, you can't stop me
No, you can't stop me now, you can't stop me
You can't stop me now, you can't stop me
You can't stop me baby

New York, [Incomprehensible] they can't stop me
Too strong, too strong, way too strong
They can't stop me

Ooh baby, ooh baby, can't stop me baby
Ooh baby, ooh baby, ooh baby, ooh baby, ooh baby
Ooh baby, ooh baby, ooh baby, ooh baby, ooh baby
