

# Tangled Up in You (featuring Alexa Carter)

Aaron Lewis

Your my world  
The shelter from the rain  
You're the pills  
That take away my pain  
You're the light  
That helps me find my way  
You're the words  
When I have nothing to say In this world  
Where nothing else is true  
Here I am  
Still tangled up in you  
I'm still tangled up in you  
Still tangled up in you You're the fire  
That warms me when I'm cold  
You're the hand I have to hold  
As I grow old  
You're the shore  
When I am lost at sea  
You're the only thing  
I like about me In this world  
Where nothing else is true  
Here I am  
Still tangled up in you  
I'm still tangled up in you  
Still tangled up in you How long has it been  
Since the story line began  
And I hope it never ends  
It goes like this forever In this world  
Where nothing else is true  
Here I am  
Still tangled up in you  
I'm still tangled up in you  
Still tangled up in you  
I'm still tangled up in you  
I'm still tangled up in you
