Slipper Hero

Fireside

Taste my loneliness but yet surrounded
Having guilt for these lonely feelings
Every night the same questions burning in my head
Keeping me far away from sleepHappenings in my life wants me to be down
Maybe Im better off living on my own
Far away from friends that I dont want to hurtWould anybody miss me
If I went away for a couple of days
Or would I miss myself too much?The candle on my floor is getting smaller
Just like my lifes getting shorter
I cant take much more
I need something to get it off my mindBut everybodys better
And everybodys sorrow is worse than mineHappenings in my life wants me to be down
Maybe Im better off living on my own
Far away from friends that I dont want to hurtWould anybody miss me
If I went away for a couple of days
Or would I miss myself too much?But sometimes I feel okay, sometimes
But sometimes I feel okay, sometimes
But sometimes I feel okay, sometimes
But sometimes I feel okay, sometimesSometimes I feel okay, sometimes
Sometimes I feel okay, sometimes
Sometimes I feel okay, sometimes
Sometimes I feel okay, sometimes
