Fever

Two Door Cinema Club

there's a fire in my head
And it's keeping me from getting out of bed
Take the tv,take the rest
all my reaches for a vision and a quest
[pre chrous]
[?]
[chorus]
don't think i'll get you home
we've got a fever catching up
feeling lit , you'll never get them all
feeling good at night
enough for me enough for me
white bridge and it gets your hopes
you take a picture with a telephone
she's a bitch you never think i want
and she sets me free
i'll never bei find out i can fist desire in control
maybe nothing is gonna save me
i melt to deep,i catch them all
[pre chorus][?][chorus]
don't think i'll get you home
we've got a fever catching up
feeling lit you'll never get them all
feeling good at night
white bridge and it gets your hopes
take a picture with a telephone
she's a bitch you never think i want
and she sets me free
i'll never be[bridge]
i wanted some
i'm burning something
[?]
i've got the pain
somebody start this fever[chorus]
don't think i'll get you home
we've got a fever catching up
feeling lit you'll never get them all
feeling good at night
white bridge and it gets your hopes

take a picture with a telephone
she's a bitch you never think i want
and she sets me free
i'll never be
