Now I promise not leave ya pussy wet yea rite, I promise you 2 show you sum respect yea rite, I guess I live the life of a super star driving all dez fancy cars, n real talk man I can have any broad. Plus I hate 2 see you crying, I hate 2 tell you lies, that's y deep inside she be like y you thug me like dat. It's just in me, been doing girls wrong since I stepped off in McKinley. Hate 2 put my hands on ya cuz I feel bad. I wear a rubber when im fucking but you don't feel dat. They got a lot of women wrong, got a lot of women strong. But when you got a super star you gotta hold on. Super star go try 2 fuck all dez hoes yea rite, but when they zip down them bauds everything alright. My nigga bleek he like: GO HOME 2 YO OL' LADY, SHE CATCH YO ASS SLIPPING SHE GO BUST DAT 380.

Y u thug me like dat? I swear 2 GOD I don't mean 2, sometimes I feel like I don't need you. [x4]

Look this how I play it, if I ever fuck with ya, ima fuck another girl see if you go fuck another nigga. Y you thugging like dat. Cuz im boosie badass, if she don't suck it I aint mad, I can't do nothing but laugh. I made the girl cook 4 me n don't even cum by, hope this dirty shit don't cum back on taulajah n I. I make the girl pussy wet when I look in her eyes so boosie never surprised when he get in them thighs. I got my heart broke at 14, that was way way back. So all the girls after that, it was straight pay back. I like 2 lay back n take trips n dress you up, but when you start mouthing off you messing up. So shut it up. Would you forgive a real nigga answer that? Would you still be with him answer that. If he had another baby put you in a situation would you forgive him or leave him n hate him.

Y u thug me like dat? I swear 2 GOD I don't mean 2, sometimes I feel like I don't need you. [x4]
