

# Holy Grail (feat. Justin Timbarlake)

Jay-Z

You take the clothes off my back  
And I let you  
You steal the food right out of my mouth  
And I watch you eat it  
I still don't know why  
Why I love you so much  
Ohhh  
You curse my name  
In spite to put me to shame  
Have my laundry in the streets  
Dirty or clean  
Give it up for fame  
But I still don't know why  
Why our love is so much  
Yeah  
And Baby  
It's amazing I'm in this Maze with you  
I just cant crack your code  
One day you screaming you love me loud  
The next day you're so cold  
One day you here, one day you there, one day you care  
You're so unfair  
Sipping from the cup  
Till it runneth over, Holy Grail  
Blue told me remind you niggas  
Fuck that shit y'all talk about  
I'm the nigga, uh caught up in all these lights and cameras, uh  
But look what that shit did to Hammer, uh  
God damnit it I like it  
The bright lights is enticing  
But look what it did to Tyson  
All that money in one night  
30 mill for one fight  
But soon as all the money blows, all the pigeons take flight  
Fuck the fame, keep cheating on me  
What I do, I took her back, fool me twice  
That's my bad, I cant even blame her for that  
Enough to make me wanna murder, Momma please just get my bail  
I know nobody to blame  
Kurt Cobain, I did it to myself

And we all just entertainers  
And were stupid, and contagious  
And we all just entertainers And Baby  
Its amazing Im in this maze with you  
I just cant crack your code  
One day you're screaming you love me loud  
The next day you're so cold  
One day you here, one day you there, one day you care  
You're so unfair sipping from the cup  
Till it runneth over, Holy Grail Now I got tattoos on my body  
Psycho bitches in my lobby  
I got haters in the paper  
Photo shoots with paparazzi  
Can't even take my daughter for a walk  
See them by the corner store  
I feel like I'm cornered off  
Enough is enough  
I'm calling this off  
Who the fuck I'm kidding though?  
Im getting high  
Sitting low  
Sliding by  
In that big body  
Curtains all in my window  
This fame hurts  
But this chain works  
I think back  
You asked the same person  
If this is all you had to deal with  
Nigga deal with  
It, this shit aint work  
This light work  
Camera snapping, my eyes hurt  
Niggas dying back where I was birthed  
Fuck your iris and IRS  
Get the hell up off of your high horse  
You got the shit that niggas die for  
Dry yours  
Why you mad  
Take the good with the bad  
Dont throw that baby out with the bath water  
Youre still alive  
Still that nigga  
Nigga you survived  
You still getting bigger nigga

Living the life  
Vanilla wafers  
In a villa  
Illest nigga alive  
Michael Jackson thriller And Baby  
Its amazing I'm in this maze with you  
I just cant crack your code  
One day you 're screaming you love me loud  
The next day youre so cold  
One day you here, one day you there, one day you care  
You're so unfair sipping from the cups  
Till it runneth over, Holy Grail You get the air out my lungs  
Whenever you need it,  
And you'd take the blade right out my heart So you can watch me bleed  
And I still don't know why...  
(Don't know why)  
Why I love it so much...  
Yeah...  
And you play this game  
In spite to drive me insane  
I got it tattooed on my sleeve forever in ink  
With guess who's name  
But I still don't know why  
(Don't know why)  
Why I love it so much  
Yeah... And Baby  
It's amazing Im in this maze with you  
I just cant crack your code  
One day you're screaming you love me loud  
The next day youre so cold  
One day you here, one day you there, one day you care  
Youre so unfair  
Sipping from the cup  
Till it runneth over, Holy Grail
