

# Come Get To This

Joe

Girl you've been gone away a real long time  
I nearly went out of my mind  
Waitin' on ya  
Ah I miss your lovin'  
when you left me baby you did it Ah baby come here let me caress you  
Ah ah baby your letters ah  
Told me what you miss  
Come me sugar and get to this  
Ah baby I want you here  
I wanna do something freaky to you  
I wanna feel what I've felt a long  
Ah come baby get to this Ooh remember baby  
How you make me feel just like a king  
Ah I can't wait baby  
I'm ready to you to start doing the things  
Trying blow your mind  
You're so fine so petite oh candy sweet  
Ah I can't wait baby  
Come here sugar and get to this whoo Yeah yeah yeah yeah  
Sweet love sweet love oh oh it's so good  
That's a fact everything else  
Would have to get back  
Oh nothings changed  
You're still sweet as the morning rain  
And I'm waiting ready to  
Love you baby make it good to you Oh I need your love  
Don't make me wait I can't wait  
Oh I'm so impatient for your love  
Come here sexy sugar and get to this whoo Girl I know you've been gone away a long time  
You nearly blew my mind baby  
Girl you've been gone for so long  
I'm so glad baby glad that you home oh baby
