Confidence

Tasha Cobbs

I got so much faith in, Lord I trust your word it's true
No matter the circumstance, my life is in your hands
I've got confidence, so much confidence, in youYour love has been so good to me, it's so unfailing
My heart is in your hands, you hold the master plan
I've got confidence, so much confidence in you
I've got confidence, so much confidence in youYour Ways are
Higher,
Your thoughts are
Deeper,
I can't even imagineHow you do what you do, but you do what you do
