

Seasick, Yet Still Docked (2014 - Remaster)

Morrissey

I am a poor freezingly cold soul
So far from where I intended to go
Scavenging through life's very constant lows
So far from where I'm determined to go
Wish I knew the way to reach the one I love
There is no way
Wish I had the charm to attract the one I love
But you see, I've got no charm
Tonight I've consumed much more than I can hold
Oh, this is very clear to you
And you can tell I have never really loved
You can tell, by the way, I sleep all day
And all of my life no one gave me anything
No one has ever given me anything
My love is as sharp as a needle in your eye
You must be such a fool to pass me by
