

New Again

Taking Back Sunday

Well, my dear, what long arms you have
All the better to hold you down
Slap my wrist with that sweet consequence
What are we, what are we to do
What are we to do with you
Hey, hey, what are we, what are we to do
What are we to do with you
Well, I am, I'm ready to be new again
I'm ready to hear you say
Who I am is quite enough
Well, I am, I'm ready to be new again
I'm ready to hear you say
Who I am is quite enough
Well, my dear what deep roots you have
All the better to hold you down
We live inside the branches
Your family's nest asks
"Boy, where have you been?"
Well, you don't know where I've been
What are we to
To do with you
What are we to
To do with you
I am, I'm ready to be new again
I'm ready to hear you say
Who I am is quite enough
Well, I am, I'm ready to be new again
I'm ready to hear you say
Who I am is quite enough
Don't know where I've been
Don't know where I've been
My dear, what long arms you have
All the better to hold you down
I am, I'm ready to be new again
I'm ready to hear you say
Who I am is quite enough
I am, I'm ready to be new again
I'm ready to hear you say
Who I am is quite enough
You don't know where I've been
No, you don't know where I've been
You don't know where I've been
You don't know where
You don't know where, no
I am, I'm ready to be new again
I'm ready to hear you say
Who I am is quite enough
Well, I am, I am ready to be new again
I'm ready to hear you say
Who I am is quite enough
