

# I Remember Nothing

## Joy Division

We were strangers  
We were strangers  
For way too long, for way too long  
We were strangers  
For way too long  
Were strangers  
Get weak all the time, may just pass the time  
Me in my own world, yea you there beside  
The gaps are enormous, we stare from each side  
We were strangers for way too long  
Violent, more violent, his hand cracks the chair  
Moves on reaction then slumps in despair  
Trapped in a cage and surrendered too soon  
Me in my own world, the one that you knew  
We were strangers  
We were strangers, for way too long  
For way too long
