

# Defector

## Muse

Free  
Yeah, I'm free  
From your inciting  
You can't brainwash me  
You've got a problemFree  
Yeah I'm free  
From society  
You can't control me  
I'm a defectorYou think you're strong and you can't be broken  
But your empire is dissolving  
You thought, you thought I was weak  
But you got it wrong  
Look into my eyes  
I'm a defectorFree  
Yeah, I'm free  
From your inciting  
You can't brainwash me  
You've got a problemFree  
Yeah, I'm free  
From society  
You can't control me  
I'm a defectorYour blood is blue and your mind's turned green  
And your belly is all yellow  
You believe your throne is too high to be overthrown  
We'll watch it get razed  
By a defectorFree  
Yeah, I'm free  
From your inciting  
You can't brainwash me  
You've got a problemFree  
Yeah, I'm free  
From society  
You can't control me  
I'm a defectorI'm a defector  
Free  
Yeah, I'm free  
From your inciting  
You can't brainwash me  
You've got a problemFree

Yeah, I'm free  
From society  
You can't control me  
I'm a defector We look for strength and assistance  
Confident that with your help  
Man will be what he was born to be  
Free and independent
