War Across the Nation

Chelsea

I've been flat broke had dirt on my knees
But it's going alright now, Know what I mean?
I've disguised poverty kept my chin up
But life's like that, know what I mean?War across the nation
Fighting degradation
Don't stop for their excuses
If you do they'll just abuse itLife's unreal 'cos there's people with thousands
Something wrong somewhere, Know what I mean?
Hope for a day when justice will come forth
Chance would be a fine thing, know what I mean?
