Ice

Kaskade

I wanted money, cause money don't lie
I wanted tears, but I couldn't cry
I wanted you, I didn't know why
I wanted money to fill up the sky
[Pre-Chorus]I was so lost, and now I'm not
The boy that I was, is inside, yeah

[Chorus]I'm ice
You can see right through me
I'm ice
There's nothing in my eyes
(2x)
[Repeat]
