

# Flicker

## Audio Adrenaline

Have I become, a target that some people can't resist?  
My flaws have become a greater risk  
If my name, is a synonym to love and happiness  
Then why am I bombarded with distress?  
My old friends, haven't seen them since I don't know when  
But I can send them a signed eight by ten  
My sweetheart, she understands why I'm away  
But still it gets harder every day But it's my delight  
To sing all night  
Till the sun comes up  
Again and again After all my cross isn't hard to bear  
It is heavy, I am weak, but you are there  
There are times when I am down and feel undone  
You pursue me like, I am your only son  
My old flaws you've overlooked and put to rest  
They're farther than the east is from the west But it's my delight  
(Ha ha, ha ha)  
To sing all night  
Till the sun comes up  
(Ha ha, ha ha)  
Again, and again  
Yes it's my delight  
(Ha ha, ha ha)  
To share a flicker of your light  
Just a ray of hope to a friend remain  
(Ha ha, ha ha) I've spent about twenty-four hours in a flying J truck stop  
I haven't had a shower and 'bout to drop  
It really doesn't matter, if we make it all up 'Coz it's my delight  
(Ha ha, ha ha)  
To sing all night  
Till the sun comes up  
(Ha ha, ha ha)  
Again, and again, and again, and again  
Yes it's my delight  
(Ha ha, ha ha)  
To share a flicker of your light  
Till a ray, of hope to a friend, the end  
(Ha ha, ha ha)
