

Turn Up the Love

DJ Dee Bee, The Bee Zee Krew

We are one tonight
And we're breathing
In the same air
So turn up the love
Turn up the love
We're turning up the love
T-turn it up now
G-get get it poppin
Hot tamale
Dirty Bass we're so party party
Too legit we can't quit the party
Super Freaks - No Illuminati
So one two, hit the booze
We're on Youtube, nothing to lose.
So let it loose, cause she goin to sleep like
BA BA BABA
Drop low to the L-O
V-E gotta get more
So clap your hands
Clap clap your hands
I got nothing but love to give
Turn it up
You don't hear me no
It's love for your stereo
So clap your hands
Clap Clap Your hands
We are one tonight
And we're breathing
In the same air
So turn up the love
Turn up the love
We're turning up the love
Go ahead now floss your love
Like a heart of gold
Dirty Bass make a tootsie roll
If you do-lo on the floor
I gotta crew that'll handle that cookie jar
I ain't tryin to be rude
Spread love like I'm desperate

You plus Tube
Drop low to the L-O
V-E gotta get more
So clap your hands
Clap clap your hands
I got nothing but love to give
Turn it up
You don't hear me no
It's love for your stereo
So clap your hands
Clap Clap Your hands
like BA BA BADA
Turn me on
Like this your song
Dirty Bass got love to give
Turn it up now
Mad monopoly
All Night Long
Dirty Bass got love to give
Let me see that grill from ear to ear
So much loving in the atmosphere
Good times roll with me right here
I got so much love to give
We are one tonight
And we're breathing
In the same air
So turn up the love
Turn up the love
We're turning up the love
We are one tonight
And we're breathing
In the same air
So turn up the love
Turn up the love
We're turning up the love
T-turn it up now
T-turn it up now
Dirty Bass got love
Like BA BA BADA
