Pistol Of Fire

Kings Of Leon

Pistol of fire
Pistol of fire
Pistol of fire
Shattered the frameGo hug your sister
Go love your sister
Go hug your sister
One and the sameHigher, where did you want to take me?
Higher, where did you want to go?
Higher, grabbing up the money it's coming
Higher, coming for that rooftop doorI feel the water
Out in the cool grass
Down in the meadow
Under the treeIt's gonna tickle
You're gonna giggle
It's gonna tickle
Pick up her feetHigher, where did you want to take me?
Higher, where did you want to go?
Higher, grabbing up the money it's coming
Higher, coming for that rooftop door
