

# Pistol Of Fire

## Kings Of Leon

Pistol of fire  
Pistol of fire  
Pistol of fire  
Shattered the frameGo hug your sister  
Go love your sister  
Go hug your sister  
One and the sameHigher, where did you want to take me?  
Higher, where did you want to go?  
Higher, grabbing up the money it's coming  
Higher, coming for that rooftop doorI feel the water  
Out in the cool grass  
Down in the meadow  
Under the treeIt's gonna tickle  
You're gonna giggle  
It's gonna tickle  
Pick up her feetHigher, where did you want to take me?  
Higher, where did you want to go?  
Higher, grabbing up the money it's coming  
Higher, coming for that rooftop door
