## LA Priest

One day upon a star,  
you came to me from afar  
I didn't know you and you or me,  
but suddenly It felt like we  
we have a connection that's incredibly strong  
I've never felt like this and I hope it won't be long  
I love you more than words can express  
I don't know your intention I have tried to impress  
I have asked and asked and seem to get nowhere  
but now I feel like your coming around  
The look you give me makes it clear  
You love me and are in fear  
I will never hurt you  
I love you,  
that's why I ran you see  
to protect you and me  
I love you so very much/ truly.
