

# Nightmare

## Bad Cop Bad Cop

Oh yea, I'm a nightmare  
And you're my dream come true  
No matter where I go  
All roads lead just to you  
Yeah I'm a nightmare Oh yeah, I'm a nightmare. But you know that I love you  
And that you can count on me to be true  
I know you know that I know... I'm a pain in the ass sometimes  
But I promise, I'm working on that, too I'd never write a stupid, poppy love song for anybody but you  
I might just call you Boo  
And if you should die before me, promise me that you'll haunt me  
Leave the cupboard doors open every morning so I know you're there  
And that you care  
Yeah I'm a nightmare  
And you're my dream come true  
No matter where I go  
All roads lead just to you  
Yeah I'm a nightmare Oh yeah, I'm a nightmare. But you know that I love you  
And that you can count on me to be true  
I get wound up and angry at the way the world works sometimes  
But I can't imagine being angry with you I'm trying not to be a fucking psycho  
But it's hard sometimes, when you've got a head like mine  
If things go wrong between us meet me in a parallel universe  
I swear I'll do my best to make it work here first  
Yeah I'm a nightmare  
And you're my dream come true  
No matter where I go  
All roads lead just to you  
Yeah I'm a nightmare
