

This Is Everything

Tegan and Sara

Climbed up on the rainbow
Just to see if I'd fall off
I'm a frosted lemon coward
And I don't know how No, don't know how
To hold you without shaking
No, I'm not aware of how
I could possibly love you without aching Yes I give you everything
Yes I give you anything
I gave you everything Gotta watch myself
I've gotta love myself
And take care And so keep the light on before
You hop in bed
'Cause, baby, this is the last
Honest look I'll ever give I saved up all my sunshine
Just to see you more clear
I'm a little short on solar
But I haven't given in No, I'm gonna hold you anyway
And I'll do it without shaking
Yes, I'll love you always
And I'll do it without aching Yes, I'd give you anything
Yes, I'd give you anything
I gave you everything Gotta watch myself
I've gotta love myself
And take care And so keep the light on before
You hop in bed
'Cause, baby, this is the last
Honest look I'll ever give I give you everything
I give you anything
I gave you everything Gotta watch myself
I've gotta love myself
And take care, yeah Gave you, I gave you
I gave you everything
So I've gotta watch myself
And love myself
And take care This is your last look
This is your last look
This is your last look Yeah, this is your last look
This is your last look
This is your last look And so keep the light on before

You hop in bed
'Cause, baby, this is the last
Honest look I'll ever give
