

# Wonderful World

Sam Cooke

Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be Don't know much about geography  
Don't know much trigonometry  
Don't know much about algebra  
Don't know what a slide rule is for But I do know, one and one is two  
And if this one could be with you  
What a wonderful world this would be Now I don't claim to be an 'A student'  
But I'm trying to be  
For maybe by being an 'A student', baby  
I can win your love for me Don't know much about history  
Don't know much biology  
Don't know much about a science book  
Don't know much about the French I took But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be La ta ta ta ta ta ah  
(History)  
Hmm mmm mmm  
(Biology)  
La ta ta ta ta ta ah  
(Science book)  
Hmm mmm mmm, yeah  
(French I took) But I do know that I love you  
And I know that if you love me too  
What a wonderful world this would be
