

Connie, I've Found the Door

Chainsaw Kittens

You can say it
You can say it till it clears your head
And you can make it baby until you've made your bed

Well I came up on the wall
Connie's sad little brother found the door

Yeah Connie i've found the door
And I won't wind up on your _____

And you can say daddy, daddy, woo
And mom it's so good to talk to you

We all know the end of the world is coming soon
Well that's alright, we can move to the moon

Connie's sad little brother found the door
Yeah Connie I've found the door, yeah yeah

I came up on the wall
Then I had to crawl
Then I had to know _____
Out of the wall
Out of the wall

Yeah Connie i've found the door, yeah yeah
Yeah Connie i've found, i've found, the door, the door, door

And I've got to tell you, I've got to tell you
What you have go to do is

Shake It
Shake It
Shake It
Shake It
Yeah yeah yeah
